Transaction management

One place to track revenue.

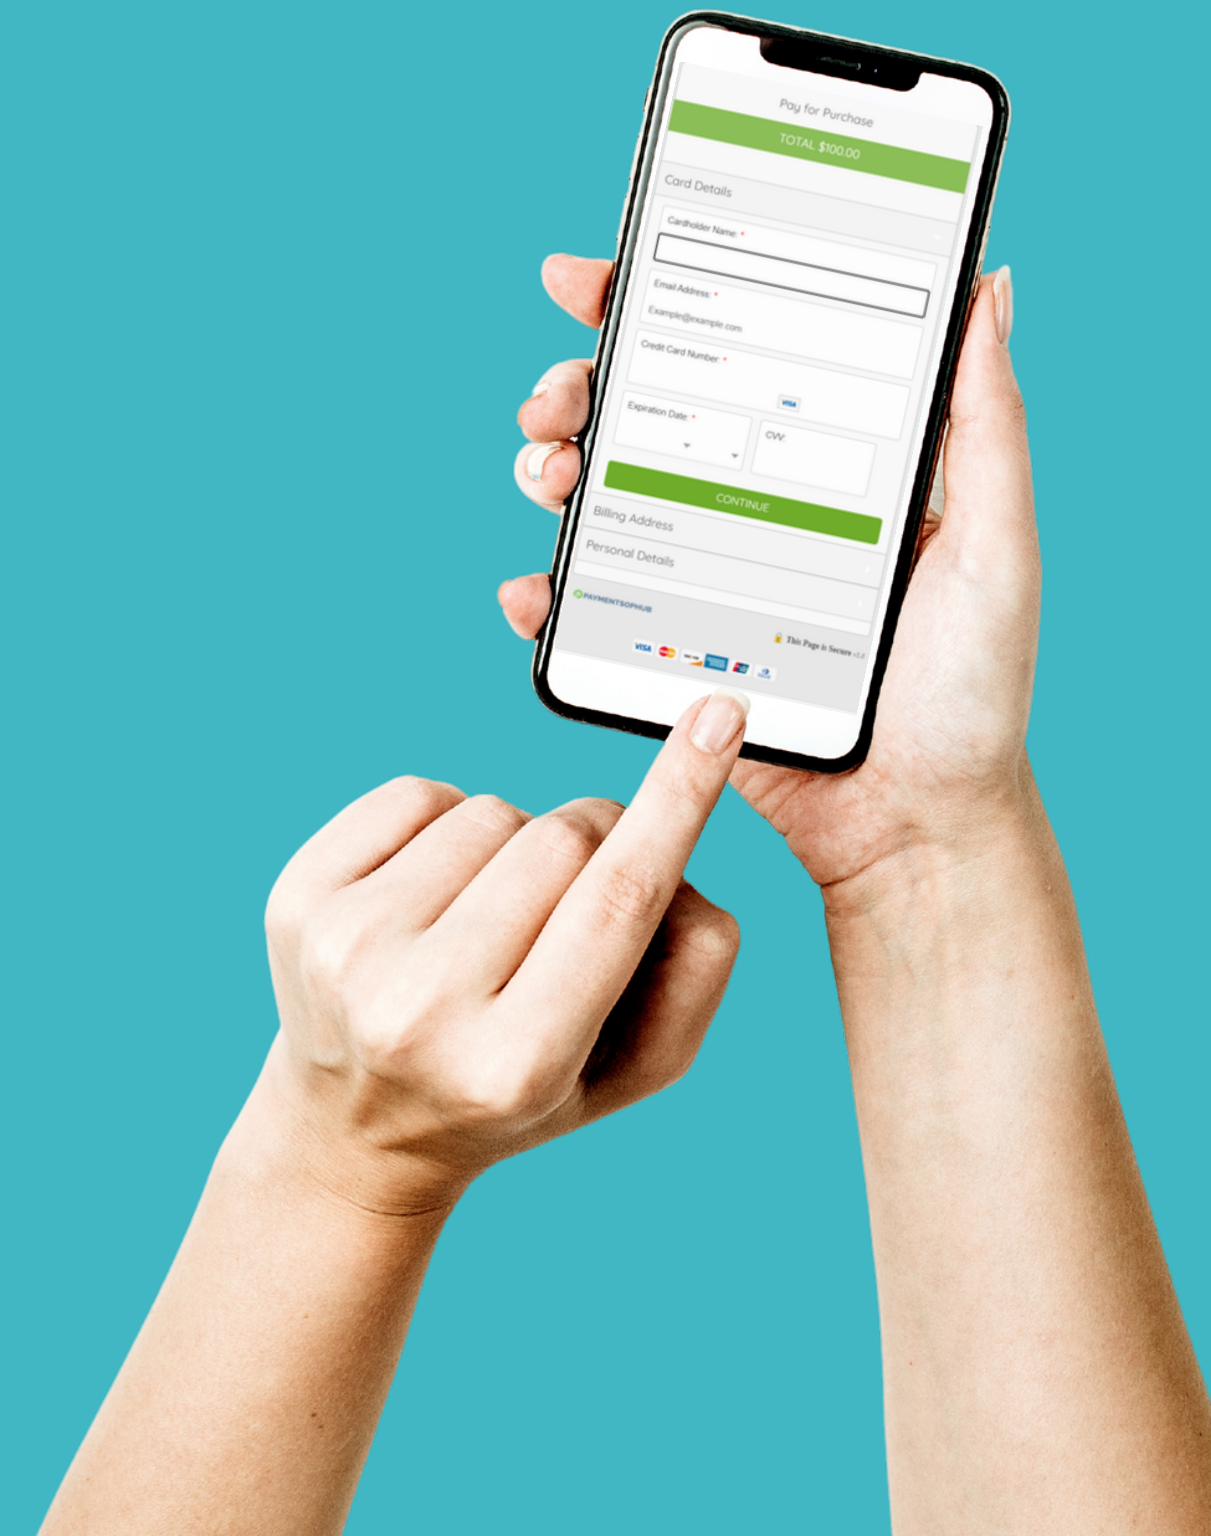

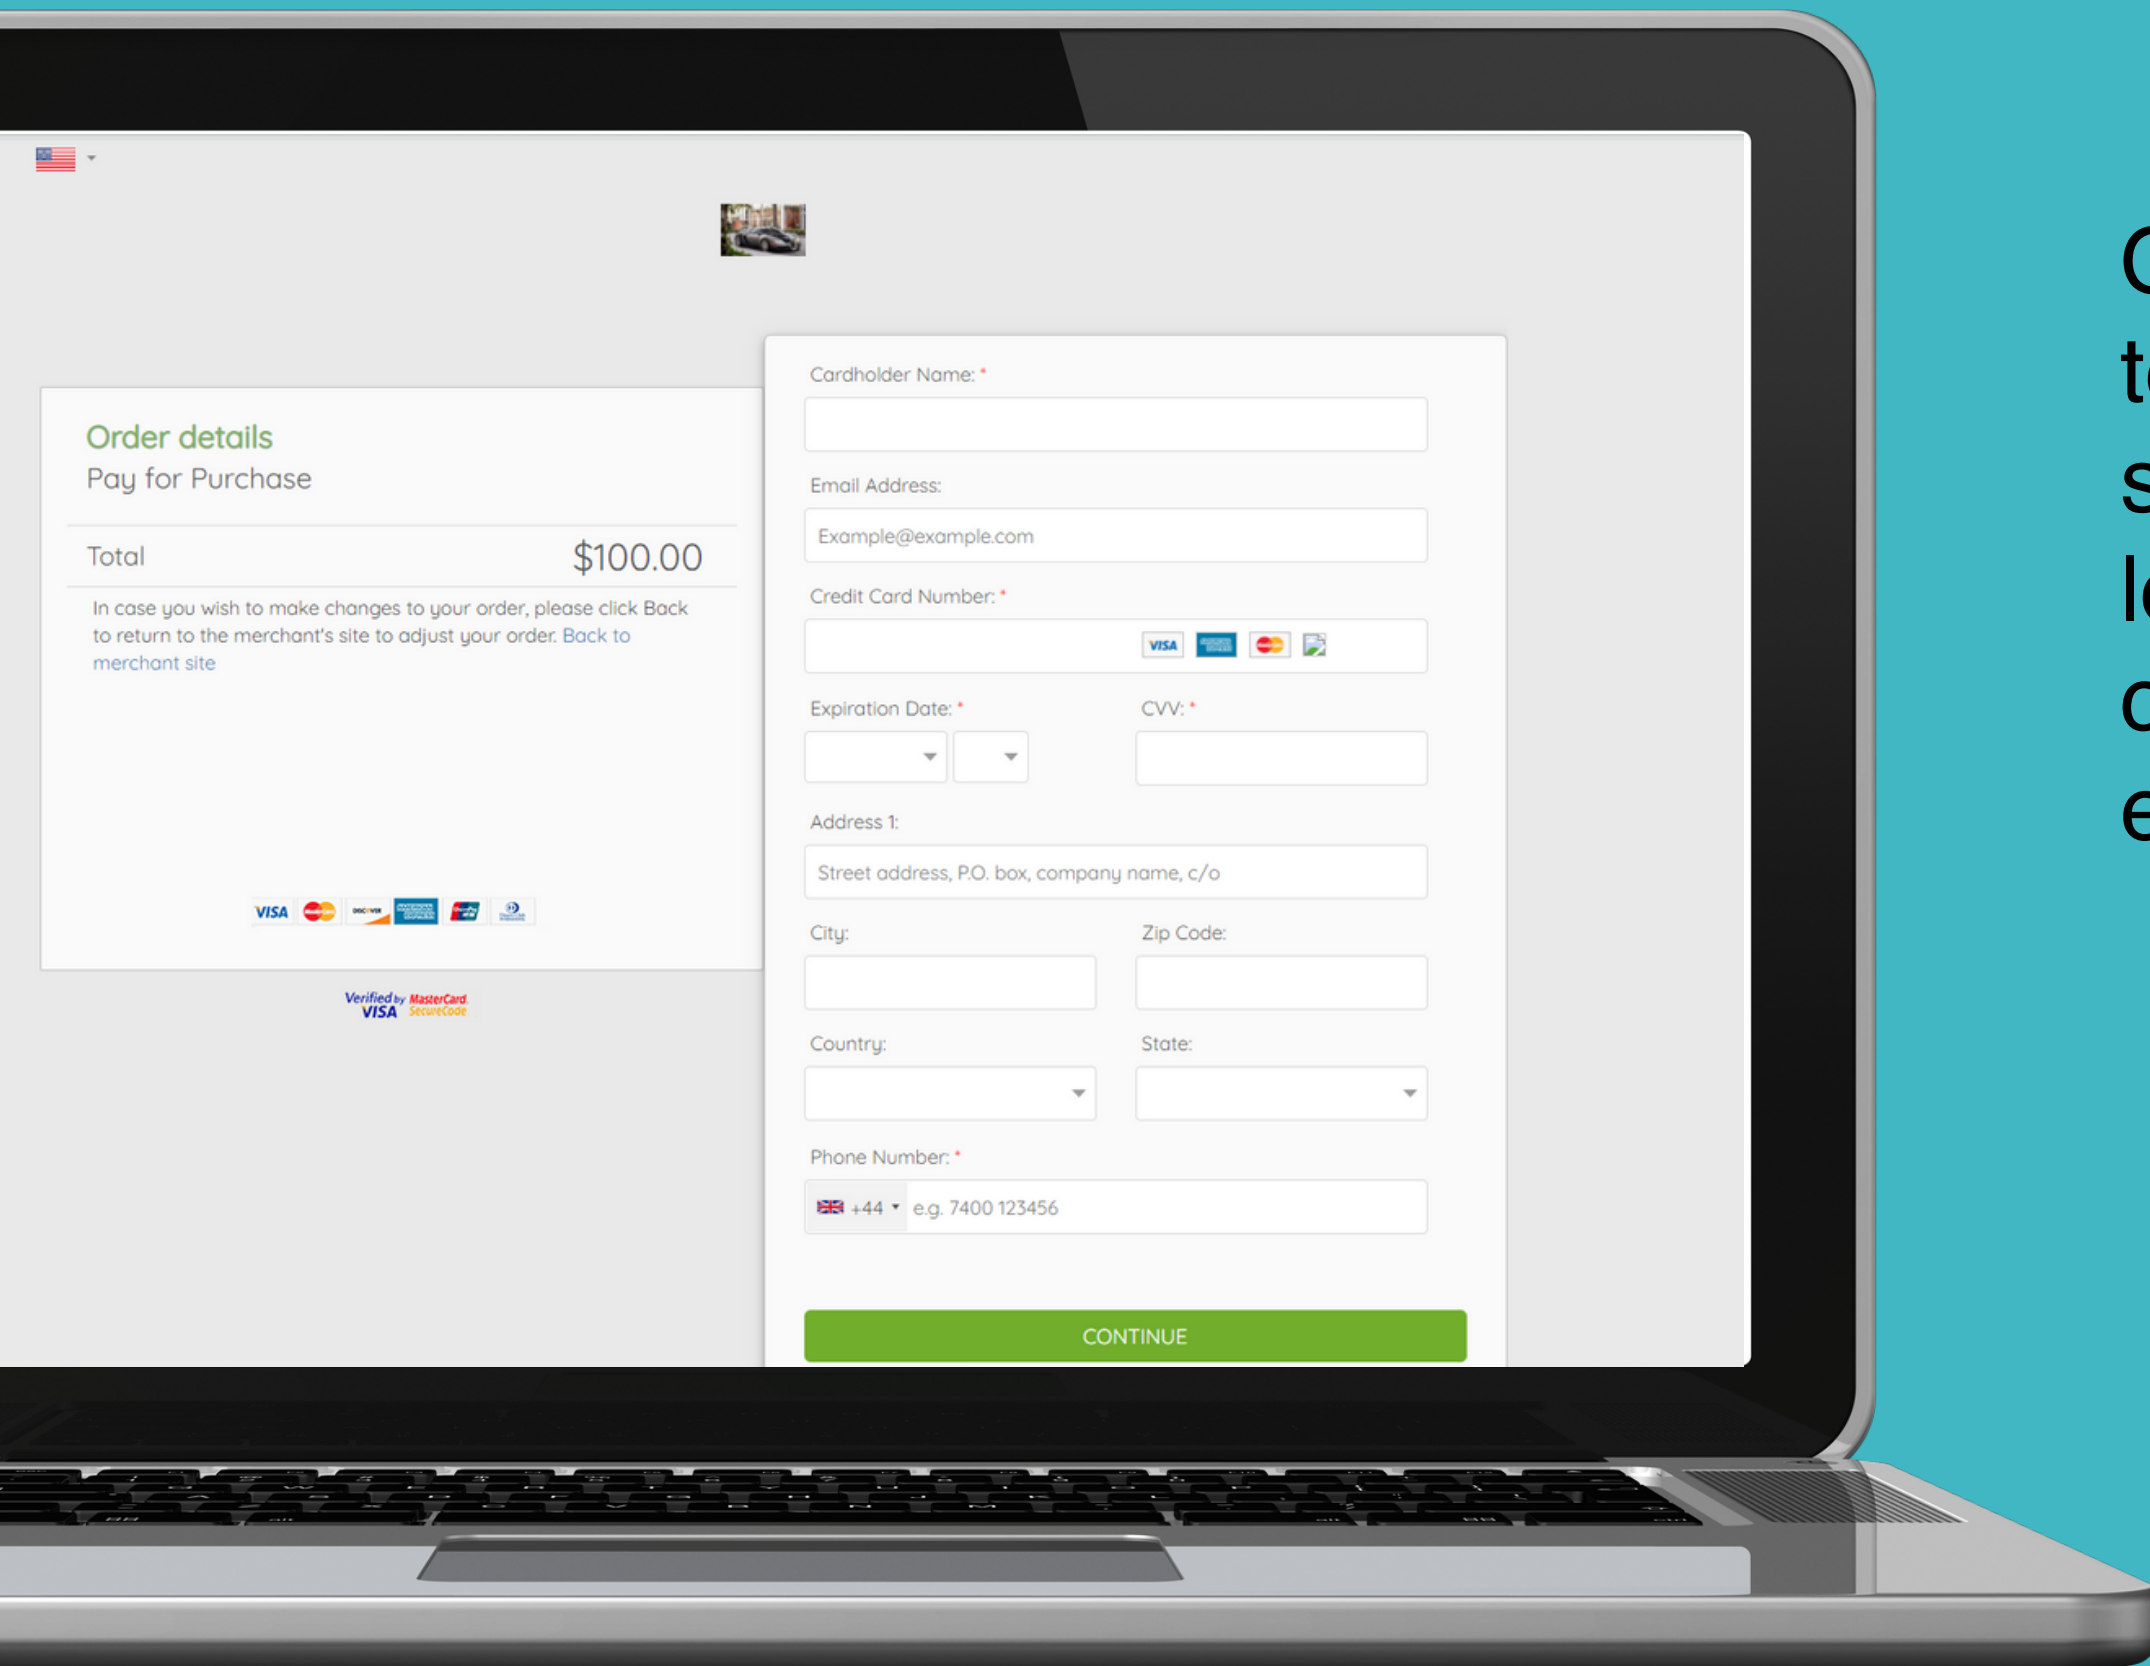

The screenshot displays the 'Merchant Control Panel' for 'Processing' with a merchant ID of 3771087 - Shree. The interface includes a navigation menu with 'Home', 'Transactions', 'Finance', and 'Settings'. A search bar is present for 'Transaction ID'. The main area shows a table of 'APPROVED TRANSACTIONS' with columns for Transaction ID, Date, Payment Method, Amount, Payout Status, Confirmation, Fee, Capture, and Reply Code. A sidebar on the left offers filters for transaction status (Captured, Declined, Authorized, Pending), chargeback status, and test transactions, along with date and payment method filters. An 'EXPORT TO XLS' button is located at the bottom of the table.

Transaction	Date	Payment Method	Amount	Payout Status	Confirmation	Fee	Capture	Reply Code
